GA venue

General Assembly will take place at Titanic Business Bayrampasa Hotel, the same hotel that we will be staying at. Meeting rooms are on the 2nd floor. Please check GA programme for the names of the rooms.

Transportation

To/from airport

**From airport:** We are arranging for some people to be picked up from the airport by the hotel bus. Please look for the EIFL sign. In other cases, it is more appropriate if the person/persons take a taxi to the hotel. There is a list of participants at the end of this document with more information. Next to each person’s name and arrival information there is a column labelled “vehicle”. This part of the list indicates which mode of transportation you should take. For example, if it says “taxi”, we expect that you will take a taxi from the airport to the hotel. Please note that taxis only take Turkish Liras and the cost from Atatürk airport to the hotel should be around 30 /35 Turkish Liras. We do not know the cost from the Sabiha Gökçen Airport. Please do not forget to take the receipt from the taxi drivers as we will reimburse you.

In some cases, we have written that people share a taxi “if possible”. This means that we hope that you will try to share a taxi with the person listed with your name, but we also understand that it can be difficult to find someone at the airport and people may choose to take separate taxis. If you will be sharing a taxi, it is necessary for only ONE person to pay the fare and collect the receipt for reimbursement.

**To airport:** In some cases the airport shuttle will take participants, in others cases taxis will be used. More information will be provided during the GA.

To/from dinners and other events

10th November: Dinner at **Galata Restaurant & Bar**. Buses from hotel will depart at 18:30 to the restaurant. Dinner will start at 19:30.

11th November: Dinner at **Pasazade Ottoman Cuisine** Buses from hotel will depart at 18:45 to the restaurant. Dinner will start at 19:30.

12th November: For the **guided tours**, buses will depart from the hotel at 14:00 and take participants to the two tour options. Buses will return to the hotel at 19:00 and dinner will start at 20:00.
Reimbursement

For those whose travel is funded by EIFL, please collect and bring all receipts for expenses related to the GA with you to Istanbul. We will have a space where you will meet with Andrius Krisciunas (EIFL Finance Director) and provide him with all your receipts.

GA related expenses could include Turkey visa fee (when applicable), transit visa fee (when applicable), travel insurance, transportation to/from airports, meals during long layovers during travel, and flight or train ticket purchase.

Electricity

Electricity in Turkey is 220-230 Volts, alternating at 50 cycles per second. Electrical sockets (outlets) in Turkey usually accept the following types of plugs.

If your appliance's plug doesn't match the shape of these sockets, you will need a travel plug adapter in order to plug in. If your device does not work with 220 Volts, you will need a voltage converter.

Currency

The national currency of Turkey is the Turkey Lira (TRY). It is rather easy to exchange USD and Euro into local currency. For the latest international exchange rates, you may view it here:
