What is a library?

SUBJECT GUIDES
- Focal point: specific educational sectors, books, subject databases, encyclopedias, reference management and more.

ASK THE LIBRARY
- Quick search: use e-mail, drop-in or a librarian. Contact library helpdesk and e-resources support.

REFERENCE MANAGEMENT AND HOW TO SEARCH
- Tips on how to manage references and how to find literature for your assignment or essay.

STUDYING AND USING THE LIBRARY
- What study rooms or copy? The library is the right place.

NEWS
- News about loans and renewals.

COURSES AND EVENTS
- June 2023: Lunch seminar.
- May 2023: Courses on topics.
- March 2023: Standing out from the crowd.

BECOME A BETTER PRESENTER
- How can I become a better presenter?
Think ...
1. Physical spaces
Our main focus 2011
- students to the library
- online discovery tools
- gap between personal and digital
- separate digital collections

What did the researchers think?
- the idea of having ebooks on
- computer devices
- students can find
- material

What did the students think?
- They prefer the idea of a print
- collection
- It's difficult to find books

Feedback day!
1) read e-books
2) rarely or never

What came out of this?
-...
Our main focus 2011

- students in the building
- still shelf-browsing
- gap between physical and digital
- expensive digital collections
Researchers

- networking
- presentations in various context
What did the researchers think?

- discussions about Ipads and other digital reading devices
- pricing models
- good for students; up-to-date and "free" material
Students

- students associations
- information desks
What did the students think?

They love the idea of e-books for course collections!
It's difficult to find e-books
What did the students think?

- loves the idea of having e-books for course collections
- "it's difficult to find e-books"
- why don't you have pop-up boxes about e-books in the catalogue?
- tell responsible teachers about e-books!
Feedback-day!

1/3 - read e-books
2/3 - rarely or never
Benefits

- eco-friendly
- free
- easy to carry
- hard to lose
- text searching from anywhere
Disadvantages

technical issues
complicated
no relevant books
prefer printed books
malfunctions often
difficult to print, copy and use
e-books where?
Our colleagues

iPad workshops

Round table (discussion) about e-books

Read an e-book on tablet, computer, smart phone or any other way
What did our colleagues think?

• positive to ideas about screens and QR-codes'
• intranet to support sharing
• we need more creative meetings!
What came out of this ...?

QR-codes Screens

New student campaign
Positive and negative experiences from 2010-2011?

- think, plan and coordinate together. It saves time!
- it wasn't our good examples that turned the staff on...
- make sure to have a clear decision-making mandate from the beginning to avoid misunderstandings
- it's ok to make mistakes!
- a new task
The Zlatan effect?
Add your iPhone or Android device and log in with your current Layar account. Point your device at the image below and tap Scan to see your buttons. Tap all or none of the buttons to see that the interactions work as intended.

23/4 14 - 16
Biomedical Library
Plugga effektivt!
– föreläsning om studieteknik
för nya studenter

Språkverkstaden och biblioteket håller en föreläsning i studieteknik för nya studenter.

Vi kommer att ta upp basidéer, vikten av planering och repetition samt hur man kan antagligt på ett effektivt sätt. Biblioteket informerar också om länescart, webbsidor, media- och studiebibliotek.

Passa på att lägga en bra grund för din studier!

26 januari kl. 18.15-19.15 Carolina Rediviva, Tidskriftsläsesalen
28 januari kl. 18.15-19.15 Geobiblioteket
2 februari kl. 18.15-19.15 Ekonomikums bibliotek
4 februari kl. 18.15-19.15 Ängstrombiblioteket
